

Municipal Rental Program

2009 Municipal Rental Program

New for 2009, G.C. Duke Equipment is offering a rental program specifically designed for municipal operations. Rentals are for 1, 2 or 3 year time frames. The program is designed to allow municipalities with short-term equipment needs, but without capital dollar availability, to use rental funds to acquire needed product. Most equipment lines carried by G.C. Duke Equipment are available for rental. Product lines include:

- Benco Sidewalk Tractors and Attachments
- Verti-Drain Aerators and Sportsfield Product
- Jacobsen Rotary Mowers
- Progressive Towed Mowers
- Aerway Aerators
- Spider Slope Mowers
- Sno-Way Plows and Salters
- Smithco Sweepers and Infield Conditioners
- EZ-Go Utility Vehicles
- Bobcat Zero-Turn Mowers
- Turfco Seeders and Topdressers

KEY FEATURES OF RENTAL PROGRAM

1. All Rental Equipment is covered by full manufacturers warranty.
2. Service contracts are available for each piece.
3. Off-season storage is available.
4. Rental agreement is between G.C. Duke and the individual municipality, no third party finance company involvement.
5. No requirement to assign payment streams to a third party vendor.
6. No end of term residual requirement. Asset belongs to and is returned to G.C. Duke Equipment at end of rental.
7. Simple application and documentation process.
8. Choice of 1, 2 or 3 year rental terms.
